Verify the information is correct, submit the authorization request via the *Authorization Submission* transaction in Navinet, and file with the patient's records.

You will receive a fax confirmation of the prescreening results. The RRS pre-screening will either approve or pend your authorization request. If additional information is required, you will receive a fax request indicating the specific clinical information to submit for utilization review. Use the request form, which is bar-coded for this specific patient, as a cover sheet when faxing clinical records and any other relevant clinical information that will support the present diagnosis(es) and treatment plan to: **1-888-492-1025**.

For a complete list of services requiring authorization, please access the Physical Medicine Management Program Administrative Guide on the Highmark Provider Resource Center under Care Management Programs → Physical Medicine Management Program.
